企业简介

Company

廣州馳之侶汽車用品有限公司
Guangzhou C&L Auto Accessories Co., Limited

Guangzhou C&L Auto Accessories CO.,LTD is a professional wiper blade manufacturer and exporter in Guangdong Province, our export sales department is located in Guangzhou , factory has been set up in Dongguan city.

The new Factory covers 7500 square meter, which including the Technical department, production department and the quality control department. Under the advanced equipment and strict management , our annual production capacity is 18 million piece of wiper blade.

Established in 2006, our company is increasing rapidly as our guaranty quality and competitive price . Now our wiper blade have been successfully selling to 60countries , like Europe, South America, The Middle East ect.

Our main products are universal soft wiper blade , frame wiper blade and exclusive wiper blade , which can fit for 95% cars in the world. Silicone wiper blade with the advantage of "Durable, clear-vision, Clam" , which become more popular .

Our aim is to make the most competitive wiper blade, to make every customer success under such fierce competitive market !

企业文化理念

Enterprise Culture
